women's PRAYER

Lord Jesus we thank you that have made us all in your image. You have generously poured out the gift of your Life, Love and Holy Spirit upon your Creation. Forgive us for the times in our past where we have chosen to ignore the beauty of your Creation in other people, and we have failed to receive the precious gifts of all your children. We offer a special prayer for the women and young girls in our communities today. May you bless them and keep them; may you make your light shine upon them and give us all your peace. In Jesus name. Amen.
